

## News from Okinawa

July 21, 2013

It has been more than one year since the passing away of Soke Takayoshi Nagamine on April 25, 2012. We know you all miss Soke Takayoshi Nagamine together with his vigorous loud voice and his childlike smile. **Nobody and nothing can fill his vacancy.** Although we have to mourn for Soke Takayoshi Nagamine for many more years we must continue to work hard and spread his legacy around the world without him. Soke might say «Hi guys- why are you so quiet ? Are you sleeping ? Wake up and move on forwards !»

I think you have all done a great job and it would have made Soke very happy. This is because **all previous dojo owners except two** (one left and the other we were unable to contact due a mailing address change) **remain in WMKA.** We also have five new dojo owners of which four are current WMKA members and one is a new member.

I think Soke would say in his supernatural spiritual body: “ Thank you everybody. I am glad you didn't forget me. Show me you can do without me !”. Since you can't hear from Soke, nor have much news from Okinawa, I want to post miscellaneous news from Okinawa once in a while as the overseas manager. It may not be big news, but I hope you will get some information about Okinawa.

### ***Dan Promotion Test on May 31, 2013.***

We had a Dan promotion test at the Nagamine Dojo. Usually we have dan promotion tests twice a year in May and in November. Everyone used to be tested by six teachers and Soke was at the center of them. However, after the passing away of Soke the test was conducted by the five teachers on the picture. Although you all can recognize where it is and the five teachers in the picture, I will explain a little about the pictures. I will also list the names of the teachers on behalf of those WMKA members who may have not have had the chance to come to Okinawa and meet them.

**Left picture:** Nagamine Karate Dojo, the birth place of the WMKA. You can see the Grand Master 1<sup>st</sup> Soke Shoshin Nagamine with «**心其正先 First purify your mind**» and «**手先無手空 There is no first attack in karate**» on both sides on the front wall.

**Right picture:** Mr Hidenobu Higa hanshi 9<sup>th</sup> Dan, Mr Iwao Tome Hanshi 9<sup>th</sup> Dan & Chairman of the board, President Yoshitaka Taira Hanshi 10<sup>th</sup> Dan, Vice president Toshimitsu Arakaki Hanshi 10<sup>th</sup> Dan and Mr Kyoshi Shinjo Hanshi 9<sup>th</sup> Dan.

**Left picture:** Seven students that took the Dan promotion test under five teachers:

For First Dan: Ms Arakaki, Ms Tomori, Ms Ohshiro & Mr Makish (Okinawa)

For 2<sup>nd</sup> Dan: Mr O'Neill (Ireland)

For 3<sup>rd</sup> Dan: Mr O'Malley (Ireland)

For 4<sup>th</sup> Dan: Mr Okuma (Okinawa).

**Right picture:** Mr Martin O'Malley 3<sup>rd</sup> Dan and Mr Michael O'Neill 2<sup>nd</sup> Dan were the first to take a Dan promotion test in Okinawa after Soke's Passing away in April, 2012. They practiced karate at the Taira Dojo, the Nagamine Dojo and the Arakaki dojo before their dan promotion test. Though everybody had some technical and philosophical advice from all teachers, they all passed the promotion test.

#### **Other News:**

##### **1. The 9<sup>th</sup> Karate-Do seminar in Hamamatsu Shizuoka Japan from April 12 to 15.**

President Taira was invited to teach the 9<sup>th</sup> Karate-Do Seminar hosted by WMKA Tokai district. It was the first time president Taira taught them in mainland Japan. Soke had handled the 1<sup>st</sup> thru 8<sup>th</sup> seminars previously given and they said he had enjoyed it very much. As there were many women and children, Ms Mayumi Horikawa 5<sup>th</sup> was together with president Taira. I went there not because of the seminar, but because of the affiliated meeting and my role as overseas manager. The seminar was successfully conducted and every one was satisfied with the result. .

**Above picture:** There were more than forty participants at seminar on both April 13<sup>th</sup> and 14<sup>th</sup>, 2013. They want to host the seminar in every other year in Hamamatsu Shizuoka prefecture, Japan.

**Left picture:** Mr Masaaki Kohagura kyoshi 8<sup>th</sup> Dan, president Yoshitaka Taira hanshi 10<sup>th</sup> Dan, Mr Kunbi Rin kyosi 8<sup>th</sup> Dan.

## **2. President Taira visited Argentina in December 2012 , his 3<sup>rd</sup> trip to South America.**

President Taira was invited by Mr Shigehide Akamine kyoshi 8<sup>th</sup> Dan in Argentina together with two masters, one from another Shorin-ryu school and the other from the Uechi-ryu school. Both come from one of the four major Karate school (Ryuha) in Okinawa. They organized «The Argentina Okinawa Karate Kobudo Association» and Mr Akamine is the president of the organization. The three Okinawan karate masters were invited to the opening ceremony & karate tournament which also included a karate-do seminar. They all presented their Karate demonstration

and impressed the audience. The participants were from seven countries: Brazil, Cuba, USA, Chile, Uruguay, France & Argentina.

There are 24-Dojos under Mr Akamine kyoshi 8<sup>th</sup> Dan. In addition to the main headquarters there are also 16 dojos in Argentina, 6 dojos in Uruguay, one dojo in Brazil and one dojo in Chile according to our local Okinawa newspaper.

### 3. Karate trips to Okinawa from January to June in 2013.

Below is a list of people who visited Okinawa from January thru June 2013 to practice Karate. Some I met, but others I didn't meet.

**January & February:** Mr Yasuyuki Mizushima 4<sup>th</sup> Dan in January and Mr Katsuhiro Tsukamoto Renshi 6<sup>th</sup> Dan in February came to Okinawa and practiced karate under Mr Kiyoshi Shinjo Hanshi 9<sup>th</sup> Dan at Nagamine Dojo. Both of them are from the WMKA Tokai district of mainland Japan.

**February:** We hosted Karate practitioners that visited from Argentina. They stayed in Okinawa from February 4<sup>th</sup> to the 21st and practiced at both the Taira Dojo and the Nagamine Dojo.

They were: Mr Seiko Arakaki, 7<sup>th</sup> Dan and his disciples: Morihiro Arakaki, 5<sup>th</sup> Dan, Gerardo Miyasiro, 4<sup>th</sup> Dan, Edgardo García Espina 4<sup>th</sup> Dan, Martín López Moreno, 2<sup>nd</sup> Dan & Darío Marcelo Ernst, 1<sup>st</sup> Kyu.

**Left picture:** Mr Seiko Arakaki Kyoshi 7<sup>th</sup> Dan, President Yoshitaka Taira Hanshi 10<sup>th</sup> Dan, Mr Nobuhide Higa Hanshi 9<sup>th</sup> Dan and students from Argentina together with Mr Manabu Higa Renshi 6<sup>th</sup> Dan of the Taira Dojo.

**Right picture:** They are learning Bo-kata from both president and Higa sensei at Taira Dojo.

**From April to May:** We hosted four groups from Australia/Canada/USA/Ireland.

**Left:** Mr Reece Cummings 3<sup>rd</sup> Dan and Mr Dave McHugh 1<sup>st</sup> Dan from Australia practiced Karate at Arakaki Dojo under vice president Toshimitsu Arakaki Hanshi 10<sup>th</sup> dan from April 22 to May 4<sup>th</sup>.

**Right:** From right to left: Mr Steve Trombley Kyoshi 7<sup>th</sup> Dan, Ms Louise Power 5<sup>th</sup> Dan, Ms Marianne Matchuk 4<sup>th</sup> Dan from Canada practiced under Mr Masao Shinzato Kyoshi 8<sup>th</sup> Dan (center) at Shinzato Dojo. They were in Okinawa from May 4<sup>th</sup> to 20<sup>th</sup> and practiced karate at six different dojos: Taira dojo, Arakaki dojo, Tome dojo, Shinzato dojo, Miyagi dojo and the Nagamine Dojo. The young boy in back row is originally from Canada. His father is a Canadian & his mother is an Okinawan. They moved to Okinawa when he was a child and so he is bilingual, of course. He doesn't commute to the English operated American school in Okinawa. Instead, he goes to Okinawan Local public school. He is in 11<sup>th</sup> grade in senior high school and passed 1<sup>st</sup> Dan test last November. We don't know if his family will live in Okinawa or go back to Canada in the future.

**In May:** Mr Scott Schnell from Iowa practiced karate at the Arakaki Dojo for a few days.

**From May to June:** Ms Lara Chambelain Renshi 6<sup>th</sup> Dan and Ms Karen Chamberlain 4<sup>th</sup> Dan were in Okinawa for about two weeks. They practiced karate twice, one time each at the Nagamine dojo

and the Makishi dojo. They spent most of their time with Makishi sensei's family, visiting family and hospital to see Makishi sensei. Very sadly, Makishi sensei passed away on May 31, 2013 as you know from seeing the WMKA Website News page. They were with Makishi sensei's family at the hospital, wake at home, cremation, funeral and burial service. Makishi sensei joined his ancestor tomb peacefully. Not only on behalf of the bereaved Makishi family, but we are also very appreciate for their concern of Master Yasuharu Makishi Hanshi 10<sup>th</sup> Dan himself.

**We join our hands together for Makishi Sensei's soul !**

#### ***6. Message from Okinawa concerning the Karate practice in Okinawa.***

(1) We here in Okinawa will support and cooperate with all WMKA dojo owners around the world so that they can improve their karate technically and philosophically. Therefore, we will welcome and host everyone who comes to Okinawa to practice karate based on their schedule. However, we can't stand-by for your sudden and unannounced request. We need your karate trip schedule ahead

of time so that we can prepare for you. As you all have a contract with president Taira, you should contact him first, either by direct contact or through me. The sooner the better, so you don't need to re-adjust your schedule.

(2) We want to know your desired karate practice schedule such as how many times a day or per week. There are two types of karate practice requests. One group wants to practice twice a day six days a week. The other group wants to practice once a day six days a week. We need to know how you want to practice beforehand.

*This is a first news from Okinawa but I will do my best to continue it.*

**We send our best regards to all of you around the world!**

**Riki Nomura, Overseas Manager WMKA**
